

Capabilities Statement

Armed/Unarmed Security • Alarm Response • Mission Support

ABOUT FALKEN INDUSTRIES

Falken is a security service provider with over 18 years of experience supporting a variety of operations. Our business and operational expertise has been forged, tested, and proven successful in a variety of challenging domestic and overseas environments. Falken Industries is a trusted and reliable partner to U.S. Government (USG) agencies such FEMA, the Department of Homeland Security (DHS), and Veterans Administration (VA). We have maintained excellent past performance ratings with our domestic partners such as the RAND Corporation, AWS, DynCorp, and MAXAR Technologies.

As a Small Business (SBA certified) and mentor for an SBA & HUBZone company in the US Virgin Islands, Falken Industries is committed to excellence and creating innovative and flexible solutions for our Government and private sector clients.

What sets Falken Industries apart from the competition?

- Flexibility and ability to adapt to rapidly changing needs
- Vast Network and staff of SME
- Integrated Quality Control and Personnel Management System
- Proprietary Client Relationship Management Suite
- Strategic Mix of Technology and Business

CORE CAPABILITIES

Our team of SMEs and security professionals offer a wide range of services including: risk analysis, physical security, development and implementation of solutions in the areas of:

- Security Advisors/Management
